.....  
WE CARE ABOUT OUR  
COMMUNITY, OUR  
GUESTS AND OUR  
PLANET

## SUSTAINABILITY STATEMENT

At Sandon Bury Farm, we're committed to sustainability in everything we do. From daily operations to long-term planning, we strive to balance business needs with care for our planet and community.

We prioritise local partnerships to reduce our environmental footprint and are always working to improve our practices for a greener future.

We care about our guests, our neighbours, and the world we share.

We're committed to reducing our environmental impact, championing sustainable practices, and giving back to our community and the planet.

Our initiatives include:

- **Air Source Heat Pumps:** Reducing carbon emissions by efficiently heating and cooling our buildings
- **Solar Panel Installation:** Harnessing renewable energy to reduce reliance on fossil fuels
- **Solar Battery Storage:** Storing energy generated by our solar panels for consistent and efficient use.
- **EV Charging Points (EVC):** Supporting the transition to electric vehicles by providing convenient charging facilities
- **Rainwater Harvester:** efficient use and conservation of water resources.
- **Rewilding 1,000 Acres:** Enhancing biodiversity by restoring natural habitats across the estate.
- **Biodiversity Promotion:** Protecting and encouraging a thriving ecosystem.
- **Public Nature Space:** Public can connection with nature through permissive access
- **Recycling Program:** Minimising waste and promoting a circular economy
